If the Named Insured fails to pay, when due, the policy premium or any premium installment, the number of days specified above is amended to "10".

- E. INSPECTION**—The Company shall be permitted but not obligated to inspect the Named Insured's property and operations at any time. Neither the Company's right to make inspections, nor the making of them, nor any report concerning them shall constitute an undertaking on behalf of or for the benefit of the Named Insured or others to determine or warrant that the property or operations are safe or healthful or are in compliance with any law, rule or regulation.
- F. INSURANCE UNDER MORE THAN ONE SECTION, COVERAGE OR ENDORSEMENT**—In the event that more than one section, coverage or endorsement of this policy insures the same loss, damage or claim, the Company shall not be liable in total for more than the actual loss or damage sustained by the Insured.

1. It is approved or accepted by the authorities to be effective while this policy is in force or within 45 days prior to its inception, and

PROPERTY PROVISIONS  
(Section I)

PR 1

When the Company pays the mortgagee any sum for loss under this policy and states that the mortgagor or owner had no liability for loss, the Company shall, to the extent of its payment, be legally subrogated to all rights of the mortgagee to whom such payment shall have been made under the mortgage debt. In lieu of taking subrogation, the Company may, at its option, pay to the mortgagee the whole principal due or to grow due on the mortgage, with interest accrued thereon to the date of such payment, and shall thereupon receive a full assignment and transfer of the mortgage and of all such other securities. However, no subrogation shall impair the right of the mortgagee to recover the full amount of said mortgagee's claim.

If the Insured fails to submit a statement of loss, the designated mortgagee, upon notice, shall submit statement of loss in the form specified in the "Duties of the Named Insured in the Event of Loss" provision of this form within 60 days after receipt of such request and be subject to the provisions of the policy relating to appraisal and time of payment and of bringing suit.

**D. WAR RISK AND GOVERNMENTAL ACTION EXCLUSION**—This insurance shall not apply to loss caused, directly or indirectly, by or due to any act or condition incident to the following:

1. Hostile or warlike action in time of peace or war, including action in hindering, combating or defending against an actual, impending or expected attack by: (a) any government or sovereign power (de jure or de facto); (b) any authority maintaining or using military, naval or air forces; (c) military, naval or air forces; or (d) an agent of any such government, power, authority or forces, it being understood that any discharge, explosion or use of any weapon of war employing nuclear fission or fusion shall be conclusively presumed to be such a hostile or warlike action by such a government, power, authority or forces;
2. Insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating or defending against such an occurrence; seizure or destruction under quarantine or custom's regulations, confiscation by order of any government or public authority, or risks of contraband or illegal transportation or trade; or
3. Order of any civil authority, except acts of destruction at the time of and for the purpose of preventing the spread of fire, provided that such fire did not originate from any of the perils excluded by this policy.

**E. NUCLEAR CLAUSE AND NUCLEAR EXCLUSION**

2. **NUCLEAR EXCLUSION**—Loss by nuclear reaction or nuclear radiation or radioactive contamination, all whether controlled or uncontrolled, or due to any action or condition incident to any of the foregoing is not insured against, whether such loss be direct or indirect, proximate or remote, or be in whole or in part caused by, contributed to, or aggravated by any of the perils insured against and nuclear reaction or nuclear radiation or radioactive contamination, all whether controlled or uncontrolled, is not explosion or smoke. This exclusion applies to all perils insured against except the peril of fire, which is otherwise provided for in the nuclear clause above.

- F. **OTHER INSURANCE**—This insurance is excess over any other insurance available to a Named Insured or any other party having an insurable interest and which would apply in the absence of this insurance. The Company shall be liable only for the excess of loss beyond the amount due from the other insurance, whether or not collectible, not exceeding the applicable limit of liability.

If the Insured has other insurance against a loss insured under Section I, the Company shall not be liable for a greater proportion of the loss than the applicable limit of liability bears to the total applicable limit of liability of all insurance against such loss.

- G. **SUBROGATION** (Applicable unless otherwise specified in other forms or endorsements)—The Company shall not be bound to pay any loss if the Insured has impaired any right of recovery for loss. The Insured may, however, release others in writing from liability for loss prior to its occurrence. Such release shall not affect the Insured's right of recovery under this insurance.

- H. **PERIOD OF INSURANCE AND TERRITORY**—This insurance applies only to loss occurring during the policy period and which occurs within or between the United States of America, its territories or possessions, Puerto Rico and Canada.

- I. **REINSTATEMENT**—In the event of loss, the applicable limit of liability is not reduced.

The Company shall only be liable up to \$500 on any one tree, plant or shrub, including expenses incurred in removing their debris, but for not more than \$5,000 in the aggregate on trees, plants and shrubs in any one occurrence.

**11. VALUABLE PAPERS AND RECORDS** up to \$1,000 in any one occurrence under insurance covering "Personal Property of the Insured" for the cost of research and other expenses necessarily incurred to reproduce, replace or restore valuable papers and records and recording or storage media located at the designated premises.

**F. EXCLUSIONS**—This form does not insure against loss:

- 1. while the building, whether intended for occupancy by owner or tenant, is vacant for more than 60 consecutive days immediately preceding the loss, but unoccupancy is permitted except for loss by vandalism or malicious mischief while the building is unoccupied beyond 60 consecutive days immediately preceding the loss;
- 2. to property more specifically insured in whole or in part by this or any other contract of insurance except for the amount of loss in excess of the amount due from such more specific insurance;
- 3. resulting directly or indirectly from artificially generated electric current, except for an ensuing insured loss by fire;
- 4. caused directly or indirectly by the failure, fluctuation or interruption of power or other utility service furnished to the premises if the cause of such failure, fluctuation or interruption occurs away from the premises; however, if loss by a peril insured against ensues at the premises, the Company will be liable only for such ensuing insured loss;

- 5. occasioned directly or indirectly by enforcement of any ordinance or law regulating the construction, repair, demolition or condemnation, including debris removal expense, or use of any property; or

**6. caused by, resulting from, contributed to or aggravated by:**

- a. earth movement, including but not limited to earthquake, landslide, mudflow, earth sinking, earth rising or shifting;
- b. flood, surface water, waves, tidal water or tidal wave, overflow of streams or other bodies of water, release of water impounded by a dam, or spray from any of the foregoing, all whether or not driven by wind;
- c. water which backs up through sewers or drains; or
- d. water below the surface of the ground, including that which exerts pressure on or flows, seeps or leaks through sidewalks, driveways, foundations, walls, basement or other floors, or through doors, windows or any other openings in such sidewalks, driveways, foundations, walls or floors;

except for an ensuing insured loss by fire or explosion.

**G. DEDUCTIBLE**—The deductible amount specified in the declarations shall be deducted from the amount of loss in any one occurrence.

**H. HOW LOSS IS SETTLED**—The following valuation provisions apply to that part of the property sustaining loss. Value, unless otherwise specified, means the value at the time and place of loss.

**1. ACTUAL CASH VALUE**—(Applicable unless the "Replacement Cost" provision applies)—Property will be valued at its actual cash value except for the following property for which the value will be determined as described and will not exceed:

- a. **BUSINESS PROPERTY SOLD BUT NOT DELIVERED**—the price at which it was sold by the Insured, less discounts, allowances and expenses not incurred;
- b. **PERSONAL PROPERTY OF OTHERS**—the amount shown in the Insured's receipt issued to the customer, or the actual cash value; whichever is less;
- c. **PROPERTY IN TRANSIT**—The actual cash value of such property at point of shipment;
- d. **RECORDING OR STORAGE MEDIA** (except finished property held for sale)—the cost of such media in unexposed or blank form, except as provided in the "Valuable Papers and Records" extension;

labor expended plus the proper proportion of overhead charges;

**f. TENANT'S IMPROVEMENTS AND BETTERMENTS**

- (1) if repaired or replaced at the expense of the Insured and within a reasonable time after loss, the actual cash value; or
- (2) if not repaired or replaced within a reasonable time after loss, that proportion of the original cost of the property which the unexpired term of the lease or rental agreement, whether written or oral, and in effect at the time of loss, bears to the periods from the dates the tenant's improvements and betterments were made to the expiration date of the lease or rental agreement;

however, if the property is repaired or replaced at the expense of others, the Company shall not be liable for the loss; and

- g. VALUABLE PAPERS AND RECORDS**—the cost of blank books, blank cards or other blank materials for valuable papers and records plus the cost of labor incurred by the Insured for transcribing or copying such records, except as provided in the "Valuable Papers and Records" extension.

**2. REPLACEMENT COST**—(Applicable when the declarations indicate this provision applies). Replacement cost means the full cost of repair or replacement of that part of the property sustaining the loss at the time and place of loss, without deduction for depreciation.

- a. If the property is repaired or replaced, its value will be its replacement cost not exceeding the lesser of:

- (1) the replacement cost of the property equivalent to the property sustaining the loss and intended for the same occupancy and use and on the same premises; or
- (2) the amount actually and necessarily expended in repairing or replacing the property.

If the property is not repaired or replaced, it shall be valued in accordance with the "Actual Cash Value" provision.

The Insured may elect to disregard this provision and make claim on an actual cash value basis. However, further claim for any additional amount on a replacement cost basis may then be made, provided the Company is notified in writing within 180 days after the date of loss.

**b. THE REPLACEMENT COST PROVISION DOES NOT APPLY:**

- (1) unless the declarations so indicate;

- (2) to stock or merchandise, including materials and supplies therefor;

- (3) unless and until the property sustaining the loss is actually repaired or replaced with due diligence and dispatch; or

- (4) to the following property which shall be valued in accordance with the "Actual Cash Value" provision:

- (a) obsolete property which is not in use;

- (b) household contents, personal effects, domestic appliances, carpeting, awnings, air conditioners, outdoor equipment or articles of art, rarity or antiquity; or

- (c) personal property of others; business property sold but not delivered; recording or storage media; tenant's improvements and betterments; stock in process of manufacture; or property in transit.

**3. COINSURANCE**—The Company shall not be liable for a greater proportion of any loss to the property than the applicable limit of liability bears to the amount produced by multiplying the value of such property to which such limit applies by the coinsurance percentage specified in the declarations.

The value of the property shall be determined in accordance with the "How Loss Is Settled" provisions.

The "Coinsurance" provision does not apply to insurance provided under "Coverage Extensions" or which is subject to special limits of liability.

**4. LIMITS OF LIABILITY**—The Company shall not be liable in any one loss for more than:

- a. the interest of the Insured in the property (except personal property owned by others for which insurance is specifically provided); or
- b. the applicable limit, specified, in the declarations or in this or any other form or endorsement;

whichever is less.

In no event shall the Company be liable for a greater proportion of loss than the applicable limit of liability bears to the total applicable limit of liability of all insurance covering such loss.

**5. PAYMENT OF LOSS**—The Company will pay all adjusted claims within 30 days after presentation and acceptance of the statement of loss.

**6. APPRAISAL**—If the Insured and the Company fail to agree on the amount of the loss, either can demand that the amount of loss be set by

appraisal. If either party makes a written demand for appraisal, each shall select a competent independent appraiser. Each shall notify the other of the selected appraiser's identity within 20 days of the receipt of the written demand.

The two appraisers shall select a competent and impartial umpire. If the appraisers are unable to agree upon an umpire within 15 days, the Insured or the Company may petition a judge of a Court of Record in the state where the insured premises is located to select an umpire.

The appraisers shall then set the amount of the loss. If the appraisers submit a written report of an agreement to the Company, the amount agreed upon shall be the amount of the loss. If the appraisers fail to agree within a reasonable time, they shall submit their differences to the umpire. A written agreement signed by any two of these three shall set the amount of loss.

Each appraiser shall be paid by the party selecting that appraiser. Other expenses of the appraisal and compensation of the umpire shall be paid equally by the Insured and the Company.

**7. PRIVILEGE TO ADJUST LOSSES WITH OWNER OF PROPERTY**—Loss shall be adjusted as follows:

- a. On property owned by the Insured or in which the Insured has an interest, loss shall be adjusted with and payable to the Insured.
- b. Where another payee is specifically named in the policy, loss shall be adjusted with the insured but shall be payable to the Insured and such other payee as interest may appear.
- c. In the event claim is made for loss to property of others held by the Insured, the right to adjust such loss with the owner or owners of the property is reserved to the Company and the receipt of payment by such owner or owners in satisfaction thereof shall be in full satisfaction of any claim of the Insured for which such payment has been made.

If legal proceedings be taken to enforce a claim against the Insured as respects any such loss, the Company reserves the right at its option without expense to the Insured to conduct and control the defense on behalf of and in the name of the Insured. No action of the Company in such regard shall increase its liability under the policy, nor increase the applicable limits of liability specified in the policy.

**8. COMPANY'S OPTIONS**—If the Company gives notice within 30 days after it has received a signed sworn statement of loss, it shall have the

option to take all or any part of the property to which the loss occurred at an agreed value, or to repair, rebuild or replace it with equivalent property.

**9. WAIVER OF INVENTORY**—If the total claim for any loss is both less than \$10,000 and less than 5% of the applicable limit of liability, no special inventory or appraisal of the undamaged property will be required, but this shall not be construed to waive the application of the "Coinsurance" provision.

**10. ABANDONMENT OF PROPERTY**—There can be no abandonment of the property to the Company without the consent of the Company.

**I. CONDITIONS**

**1. INCREASE OF HAZARD**—The Company shall not be liable for loss occurring while the hazard is increased by any means within the control or knowledge of the Insured unless the Company has received prior written notice. However, except as otherwise provided, permission is granted to make alterations and repairs.

**2. NO CONTROL**—This insurance shall not be prejudiced by any act or neglect of any person (other than the Insured) or by the failure of the Insured to comply with any warranty or condition of this policy when such act, neglect or failure is not within the control of the Insured.

5. **PAYMENT OF LOSS**—The Company will pay all adjusted claims within 30 days after presentation and acceptance of the statement of loss.
6. **APPRAISAL**—If the Insured and the Company fail to agree on the amount of the loss, either can demand that the amount of loss be set by appraisal. If either party makes a written demand for appraisal, each shall select a competent independent appraiser. Each shall notify the other of the selected appraiser's identity within 20 days of the receipt of the written demand.

The two appraisers shall select a competent and impartial umpire. If the appraisers are unable to agree upon an umpire within 15 days, the Insured or the Company may petition a judge of a Court of Record in the state where the insured premises is located to select an umpire.

The appraisers shall then set the amount of loss. If the appraisers submit a written report of an agreement to the Company, the amount agreed upon shall be the amount of loss. If the appraisers fail to agree within a reasonable time, they shall submit their differences to the umpire. A written agreement signed by any two of these three shall set the amount of loss.

Each appraiser shall be paid by the party selecting that appraiser. Other expenses of the appraisal and compensation of the umpire shall be paid equally by the Insured and the Company.

- On property owned by the Insured or in which the Insured has an interest, loss shall be adjusted with and payable to the Insured.
- Where another payee is specifically named in the policy, loss shall be adjusted with the Insured but shall be payable to the Insured and such other payee as interest may appear.
- If the event claim is made for loss to property of others held by the Insured, the right to adjust such loss with the owner or owners of the property is reserved to the Company and the receipt of payment by such owner or owners in satisfaction thereof shall be in full satisfaction of any claim of the Insured for which such payment has been made.

If legal proceedings be taken to enforce a claim against the Insured as respects any such loss, the Company reserves the right at its option without expense to the Insured to conduct and control the defense on behalf of and in the name of the Insured. No action of the Company in such regard shall increase its liability under the policy, nor increase the applicable limits of liability specified in the policy.

8. **COMPANY'S OPTIONS**—If the Company gives notice within 30 days after it has received a signed sworn statement of loss, it shall have the option to take all or any part of the property to which the loss occurred at an agreed value, or to repair, rebuild or replace it with equivalent property.

9. **WAIVER OF INVENTORY**—If the total claim for any loss is both less than \$10,000 and 5% of the applicable limit of liability, no special inventory or appraisal of the undamaged property will be required, but this shall not be construed to waive the application of the Coinsurance provision.

(Section I)**

These provisions apply to all INLAND MARINE declarations, forms and endorsements unless otherwise specified.

**A. DUTIES OF THE INSURED IN THE EVENT OF LOSS**—In the event of loss, the Insured shall:

1. protect the property from further loss, make reasonable temporary repairs required to protect the property and keep an accurate record of repair expenses;
2. immediately notify the proper police authority of any loss which is due to a violation of law;
3. give written notice of the loss to the Company as soon as practicable;
4. prepare a complete inventory of property to which loss occurs showing in detail quantities, description, actual cash value or replacement value, amount of loss; and attach to the inventory all pertinent records and accounts for verification of the claim and its amount and permit copies of records to be made if needed;
5. exhibit the remains of the damaged property as often as may be reasonably required by the Company;
6. submit to examination under oath and, to the extent that it is within the Insured's power to do so, produce employees or others for such examination;
7. cooperate with the Company in all matters pertaining to loss or claim; and
8. submit to the Company within 60 days, when requested, a signed sworn statement of loss stating:
  - a. the place, time and cause of loss;
  - b. the interest of the Insured and all others in the property involved and all encumbrances on the property;
  - c. other insurance which may cover the loss; and
  - d. an inventory of the property to which loss occurred as described in 4. above.

**B. HOW LOSS IS SETTLED**

1. **ACTUAL CASH VALUE**—Unless otherwise specified, that part of the property sustaining loss will be valued at its actual cash value at the time and place of loss but not exceeding the amount which it would cost to repair or replace such part of the property with material of like kind and quality within a reasonable time after loss.
2. **PAYMENT OF LOSS**—Unless a claim has been paid by others, the Company will pay all adjusted claims within 30 days after presentation and acceptance of the statement of loss.
3. **APPRAISAL**—If the Insured and the Company fail to agree on the amount of the loss, either can demand that the amount of loss be set by appraisal. If either party makes a written demand for appraisal, each shall select a competent independent appraiser. Each shall notify the other of the selected appraiser's identity within 20 days of the receipt of the written demand.

The two appraisers shall select a competent and impartial umpire. If the appraisers are unable to agree upon an umpire within 15 days, the Insured or the Company may petition a judge of a court of record in the state where the insured premises is located to select an umpire.

The appraisers shall then set the amount of the loss. If the appraisers submit a written report of an agreement to the Company, the amount agreed upon shall be the amount of the loss. If the appraisers fail to agree within a reasonable time, they shall submit their differences to the umpire. Written agreement signed by any two of these three shall set the amount of loss.

Each appraiser shall be paid by the party selecting that appraiser. Other expenses of the appraisal and compensation of the umpire shall be paid equally by the Insured and the Company.

**4. PAIR, SET OR PARTS**

a. **Pair or Set**—In case of a loss to a pair or set the Company may elect to:

- (1) repair or replace any part to restore the pair or set to its value before the loss; or
- (2) pay the difference between actual cash value of the property before and after the loss.

b. **Parts**—in case of a loss to any part of the insured property, consisting of several parts when complete, the Company shall be liable only for the value of the part to which the loss occurs.

**5. ABANDONMENT OF PROPERTY**—Property cannot be abandoned to the Company without the Company's consent.

**C. LEGAL ACTION AGAINST THE COMPANY**—No action shall be brought against the Company unless the Insured has complied with all the policy provisions and such action shall have commenced within 12 months after the loss occurs.

**D. NUCLEAR EXCLUSION**—The Company shall not be liable for loss by nuclear reaction or nuclear radiation or radioactive contamination, all whether controlled or uncontrolled, and whether such loss be direct or indirect, proximate or remote, or be in whole or in part caused by, contributed to, or aggravated by any of the perils insured against.

However, subject to the foregoing and all provisions of this insurance, direct loss by "fire" resulting from nuclear reaction or nuclear radiation or radioactive contamination is insured against.

**E. REINSTATEMENT**—The applicable limit of liability is reinstated in the event of payment of loss except for total loss of a scheduled item. The Company will refund the unearned premium on such item after the loss or it may be applied to the premium due for the replacement of the scheduled item.

**F. SUBROGATION**—If, in the event of loss, the Insured shall acquire any right of action against any individual, firm or corporation for loss to property,

**(Section I)**

the Insured will, if requested by the Company, assign and transfer such claim or right of action to the Company. The Insured may, however, at the Company's option, execute and deliver to the Company the customary form of loan receipt upon receiving an advance of funds for the loss and will subrogate

the Company to, or will hold in trust for the Company, all such rights of action to the extent of the amount paid or advanced, and will permit suit to be brought in the Named Insured's name under the direction of and at the expense of the Company.

**LIABILITY PROVISIONS  
(Section II)**

GL 1

These provisions apply to all Section II—Liability declarations, forms and endorsements, unless otherwise specified. FOR ADDITIONAL PROVISIONS APPLICABLE TO SECTION II—LIABILITY, REFER TO "ADDITIONAL LIABILITY PROVISIONS".

**A. ACTION AGAINST THE COMPANY**—No action shall lie against the Company unless, as a condition precedent thereto, there shall have been full compliance with all of the provisions of this Section nor until the amount of the Insured's obligation to pay shall have been finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company.

Any person or organization or the legal representative of either who has secured such judgment or written agreement shall thereafter be entitled to recover under this Section to the extent of the insurance afforded by this Section. No person or organization shall have any right to join the Company as a party to any action against the Insured to determine the Insured's liability, nor shall the Company be impleaded by the Insured or his legal representative. Bankruptcy or insolvency of the Insured or of the Insured's estate shall not relieve the Company of any of its obligations.

**B. ANNUAL AGGREGATE**—If this policy is issued for a period in excess of one year, any limit of the Company's liability stated in the declarations as "aggregate" shall apply separately to each consecutive annual period or part thereof.

**C. DECLARATIONS**—By acceptance of the insurance afforded by Section II, the Named Insured agrees that statements in the declarations are his agreements and representations, that such insurance is issued in reliance upon the truth of such representations and that such insurance embodies all agreements existing between the Named Insured and the Company or any of its agents relating to this insurance.

**D. FINANCIAL RESPONSIBILITY LAWS**—When insurance under Section II is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The Named Insured agrees to reimburse the Company for any payment made by the Company which it would not have been obligated to make under such insurance except for the agreement contained in this provision.

**E. INSURED'S DUTIES IN THE EVENT OF OCCURRENCE, CLAIM OR SUIT**

1. In the event of an occurrence, written notice

containing particulars sufficient to identify the Insured and also reasonably obtainable information with respect to the time, place and circumstances of the occurrence, and the names and addresses of the injured and of available witnesses, shall be given by or for the Insured to the Company or any of its authorized agents as soon as practicable.

2. If claim is made or suit is brought against the Insured, the Insured shall immediately forward to the Company every demand, notice, summons or other process received by the Insured or the Insured's representative.

3. The Insured shall cooperate with the Company and, upon the Company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Insured because of injury or damage with respect to which insurance is afforded under this Section; and the Insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

**F. LIMITS OF LIABILITY—TWO OR MORE POLICIES**—In the event of an injury, damage or loss covered by this policy and any other policy containing this provision or a similar provision issued by the Company to the Named Insured, the maximum that will be paid under all such policies combined for such injury, damage or loss is the highest applicable limit of liability of any one of such policies. This provision does not apply with respect to any policy issued by the Company which has a policy number containing the letters CUP or EX.

**G. OTHER INSURANCE**—The insurance afforded by this Section is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the Insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Company's liability under this Section shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the Company shall not be liable under this Section for a greater proportion of the

loss than that stated in the applicable contribution provision below:

1. **Contribution by Equal Shares**—If all of such other valid and collectible insurance provides for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers shall then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.
2. **Contribution by Limits**—If any of such other insurance does not provide for contribution by equal shares, the Company shall not be liable for

a greater proportion of such loss than the applicable limit of liability under this section for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

- H. **PREMIUM**—Premium designated in this Section as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the **Named Insured**, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the Company shall return to the **Named Insured** the unearned portion paid by the **Named Insured**.
